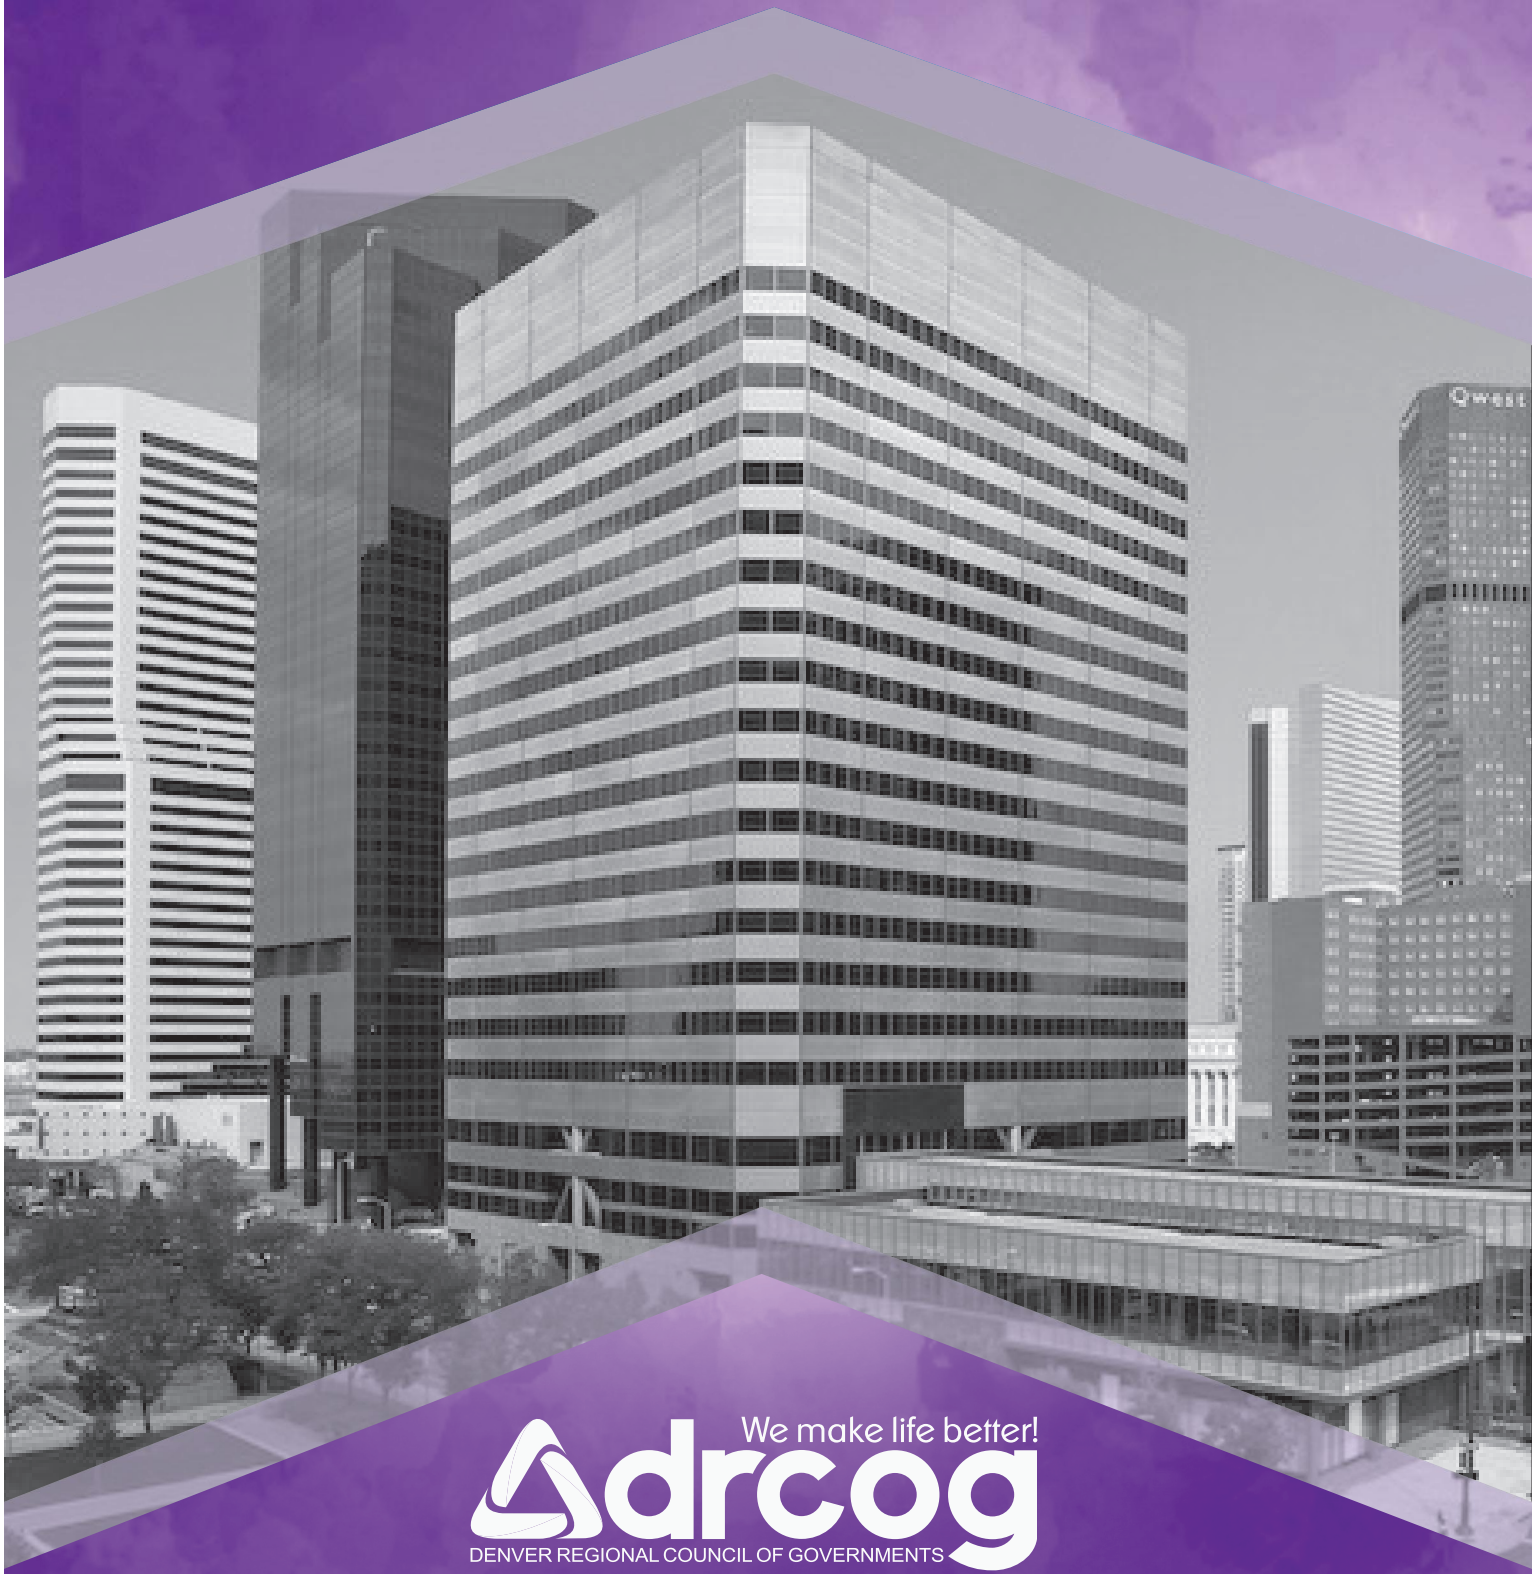
Parking Instructions

Board of Directors and Board Work Session



We make life better!

drcog

DENVER REGIONAL COUNCIL OF GOVERNMENTS

ENTER

1. Enter the 1001 17th St. parking garage down ramp from the left side of Curtis Street (see map to the right and photo for garage entrance). If the rolling garage door is closed, proceed to the door. The electronic eye will sense the vehicle, and the door will go up automatically. **Do not back up!**

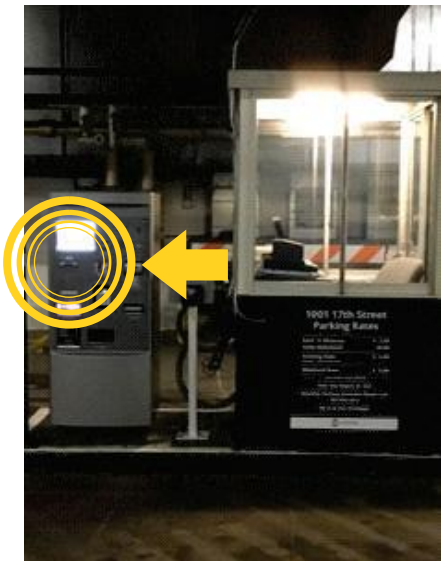
2. Pull up to the ticket machine and push the blue button to get a ticket (the date and time will be stamped on it). After you pull the ticket, the gate will go up. You can leave the ticket in your vehicle.

3. Park anywhere in the garage that is **NOT marked** with **Reserved**, **Visitor Parking** or a **company name**. There are four levels of parking.

4. Go to the nearest "Office Elevators" and press "1" for the main lobby or go to the nearest "Retail Elevator" and press "S" for street level.

5. Be sure to ask for a validation coupon at the Board of Directors meeting or Board work session from DRCOG staff. You'll need a validation coupon to exit the garage.

EXIT



1. Exit the garage in the left lane at the cashier machine (must exit Arapahoe Street only). Insert the ticket you received when you entered the garage in the blue slot labeled **Ticket Only** (ensure the arrows on the ticket are pointing into the pay station slot).

2 You will then get a message stating the cost of parking.

3 Hold the validation coupon (see sample at right) you received at the Board of Directors meeting or Board work session into the **red-lit reader** on the lower left of the cashier machine.

4 The machine will say "Now checking your bar code data," and then the gate will go up. You will exit the garage heading south onto Arapahoe Street.

5 **If you experience a problem** when trying to exit, press the silver intercom button on the top right of the pay station. The building's **lobby officer** will assist you.

6 If the rolling garage door is closed, pull up to the door. The electronic eye will sense the vehicle, and the door will go up.

Walk and roll, bike or ride transit.

If you are coming to the DRCOG office, please consider an alternative to driving alone.

DRCOG's office is easily accessible by a host of bus and light rail routes, with convenient stops along 17th and 18th streets. Union Station is a 10-minute walk or transit ride away. Civic Center Station is also a 15-minute walk or 10-minute transit ride away. Both are also along the free and frequent 16th Street MallRide.Because routes and schedules change, please visit RTD (rtd-denver.com) for more information.

There are B-Cycle stations at 950 17th St. and 1099 18th St. Visit denver.bcycle.com for locations.

For bicyclists and pedestrians, the Cherry Creek Trail is a 10-minute walk/five-minute bike ride away from the office.

Coming to a meeting with others? Consider a carpool!

Free parking is not available for visitors.

On-street, two-hour metered parking is available. Meters subject to change without notice. Paid parking is available in the building garage, 24 hours a day, seven days a week. **Paid parking includes spaces that comply with Americans with Disabilities Act access guidelines.** Visitors may park in spaces designated for **visitors**, or **anywhere that is not designated as reserved or for tall vehicles**.
